Jesus the Word John 1:(1-9), 10-18

What's the Big Idea?

God became human and lived among us as Jesus.

Going deeper...Sometimes in the Bible, Jesus is called, *the Word*. Calling Jesus *Word*, like we read in John 1:14, is a way to describe the Greek idea of *Logos*. *Logos* is divine reason that connects humans to God and rules the universe.

What makes you feel connected to God?

Talk About It

Enjoy time of curiosity and conversation with a trusted grown up:

1. When you think about God, what words do you think of?
2. We use words all the time, often without thinking about the power of them. What are some things we can do with words?
3. What has God done with words?
4. Everyone take a turn sharing your favorite word and why it is you like your particular word so much.

Pray: Lord God, you love us enough to live among us, as a human named Jesus. Through Jesus' life and teaching, we can know you in ways we could not otherwise. Your boundless grace is larger than our largest imagining. Gratefully, joyfully, we praise you! Hallelujah! Amen.

Live It Together

When you think about your family, what words come to mind? Create a list of your favorite words and use them to write a simple poem in which every line begins "Our family..." You can repeat the verb "is" or use a variety of verbs (Our family is loving, Our family loves...) When you have completed your poem, put it up on the fridge or some other spot where you'll see it each day.

Memorize It

Have a grown up help you send a video of yourself saying this week's memory verse to Sarah to have a sticker added by your name on the Memory Verse Star Chart! Sarah sends a prize when 10 stars reached!

And the Word became flesh and lived among us, and we have seen his glory, the glory as of a father's only son, full of grace and truth.
