Palm Sunday Mark 11:1-11

What's the Big Idea?

Jesus is on the move!

Today marks the start of Holy Week. It begins with a happy parade when Jesus rides a donkey into Jerusalem.

Where do you see Squiggles this week?

Talk About It

- 1) How do you think Jesus got from place to place? How do you get around from place to place?
- 2) Jesus was greeted like a king when he entered Jerusalem. Have you ever been greeted warmly at a new place? Where was it? How did you feel?
- 3) Are there new people traveling through your community? How can you help them feel welcome?
- 4) Jesus traveled to a lot of different places in today's story. Why do you think he traveled to so many places? Where has your family traveled?

Pray: Dear God, sometimes it's hard to know where we're going. We can feel uneasy and scared when we're in a new place. Help us remember how Jesus traveled and loved everyone he met. Help us trust in you in all of our travels. Amen.

Live It Together

With a trusted grown up, go online to learn how to praise someone in sign language. To say, "Praise Jesus," touch your right index finger to your nose, clap your hands twice over your left shoulder, and touch each palm once with the other hand's middle finger.

Memorize It

Have a grown up help you send a video of yourself saying this week's memory verse to Sarah to have a sticker added by your name on the Memory Verse Star Chart! Sarah sends a prize when 10 stars reached!

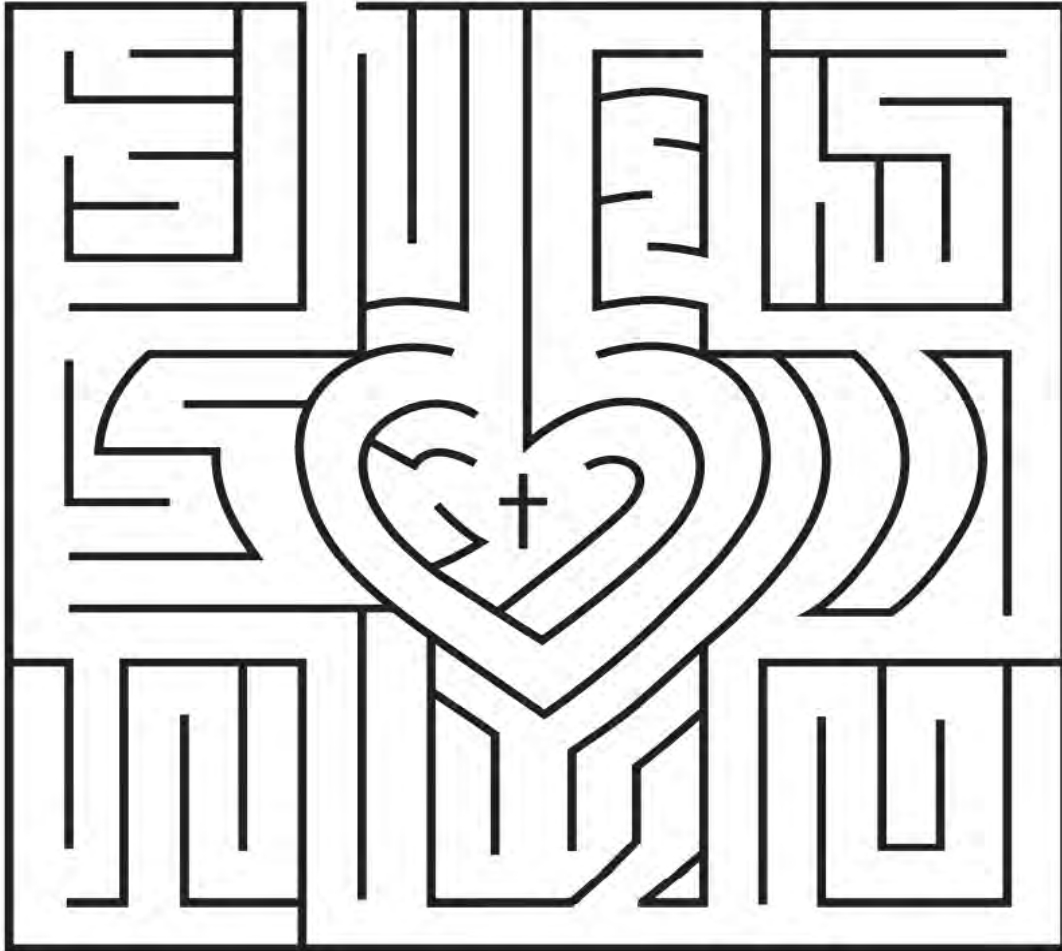

Hosanna! Blessed is the one who comes in the name of the Lord!

Journey of Peace

Holy week started with Palm Sunday, a happy parade when Jesus rode a donkey into Jerusalem and ended with Good Friday when Jesus died on the cross. During the last week of his life, Jesus chose peace. He faced violence. Many people wanted to hurt him. He died on the cross. Follow Jesus' path to the cross at the center of the maze to uncover the hidden symbol in the maze. Then use a highlighter pen to show the path.

What does the path make a picture of?

Display your Easter eggs in a fun and creative way! If available to you, print out the next page onto thicker paper so your finished egg holder is as sturdy as possible.

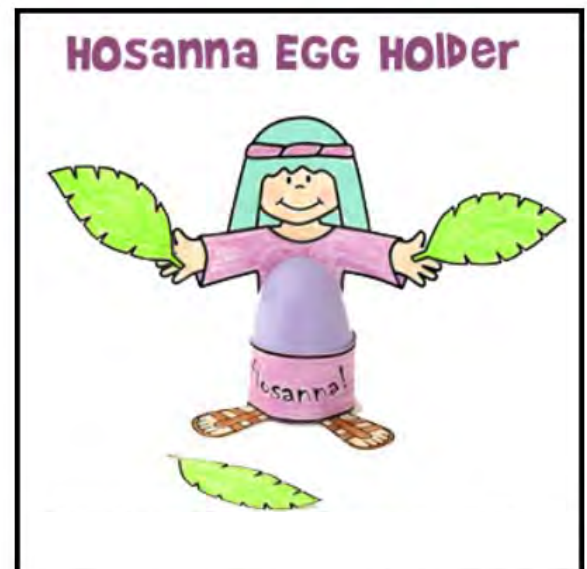

Color your pattern however you'd like then cut out all the pieces.

Once the top half of the person, the bottom part with the feet, and the palm branches have been cut out, tape the bottom part with the feet in a loop. This is where your egg will rest.

Finish by taping a few of your palm branches to the hands of the person.

Your finished egg holder should look similar to the egg holder to the right.

Did you know... "Hosanna" is an expression of praise or joy!

Hosanna!
