People – 124, Cars – 67

*We continue to be the church in all circumstances.*

**Gathering Music** *Stir Us Up* – Pete Erickson

PRE-CHORUS:

Stir us up, oh God  
So all we are and have  
Is a living sacrifice  
offered to a world in need...

CHORUS:

Let our lives be – a beautiful refrain  
The shelter from the rain  
Healing for the broken.  
Let us live life – as a generous response  
A treasure in a box  
A heart that's fully open – to your grace, the fullness of your grace,  
the fullness of your grace

**Welcome**

**Opening Song** *Come, Now Is the Time to Worship* – Doerksen

VERSE

Come, now is the time to worship  
Come, now is the time to give your heart  
Come, just as you are to worship  
Come, just as you are before your God  
Come

BRIDGE

One day every tongue will confess you are God  
One day every knee will bow  
Still the greatest treasure remains for those  
Who gladly choose you now (repeat song)

**Confession & Forgiveness**

*Blessed be the holy Trinity, +one God,  
Full of compassion and mercy, abounding in steadfast love.  
Amen.*

*God calls us in our lives to take a risk,  
to be like the woman in the gospel who reaches out to Jesus for healing for herself;  
or the father who risks the scorn of others to bring Jesus to his dying daughter.*

*Let us ponder for a moment the places in our lives where we may resist  
turning to God for healing and change.*

Silence

*When we resist your call to open our hearts to allow the freshness of your grace to enter:  
**God have mercy.***

*When we close our eyes to your new and unexpected possibilities of healing and reconciliation.  
**Christ have mercy.***

*When we let fear overwhelm us, and cling to the security of what we know  
instead of risking new steps toward your freedom and justice:  
**God have mercy.***

*God's mercies are fresh every morning.  
In Christ God offers forgiving grace and new life.  
Take this forgiveness and live your life anew.*

Let the dead man say, "I am born again!"  
Let...the...river...flow Let...the...river...flow

### Message

## Song *Beautiful Things* – Gungor

All this pain...I wonder if I'll ever find my way  
I wonder if my life could really change at all

All this earth,...could all that is lost ever be found?  
Could a garden come up from this ground at all?

### REFRAIN

You make beautiful things  
You make beautiful things out of the dust  
You make beautiful things  
You make beautiful things out of us  
All around...hope is springing up from this old ground  
Out of chaos life is being found in you (refrain)

### BRIDGE

You make me new, you are making me new  
You make me new, you are making me new
