From the Rector

Our NEW WEBSITE is up and running!

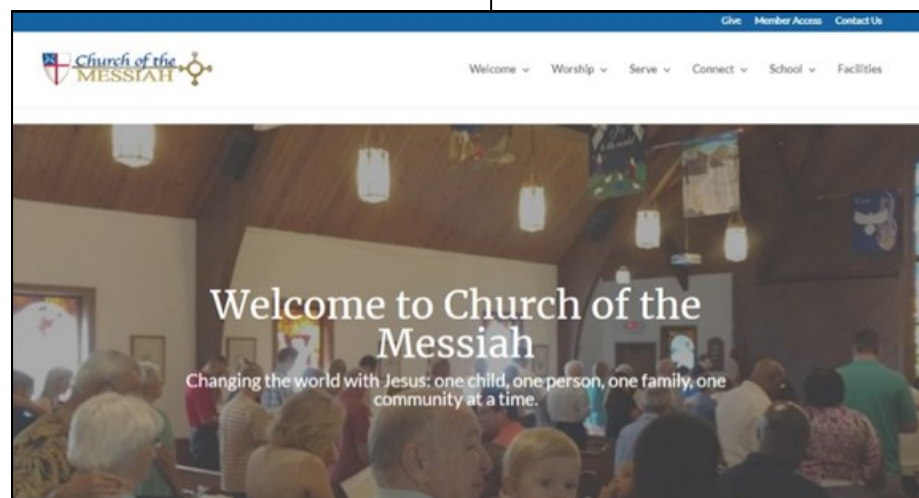

Please go check it out at www.ChurchOfTheMessiah.com

You'll see:

1. More Pictures!
2. It's completely mobile responsive, which means the size of the picture will scale to fit whatever you're using to see it: your smart phone, tablet, laptop, or desktop computer.
3. More Information for a first-time visitor
4. A completely different Menu, and
5. Members Only Features

The pictures highlight who we are and what we look like as a parish family. They show we're a real church, with real people in all sizes, shapes, and colors. We want new people to be able to envision themselves here and seeing people who look like them helps that happen.

Also... most of our new visitors will visit our website on their cell phone, so we designed the site to look amazing on cell

phones and tablets, as well as on PC's and Mac's.

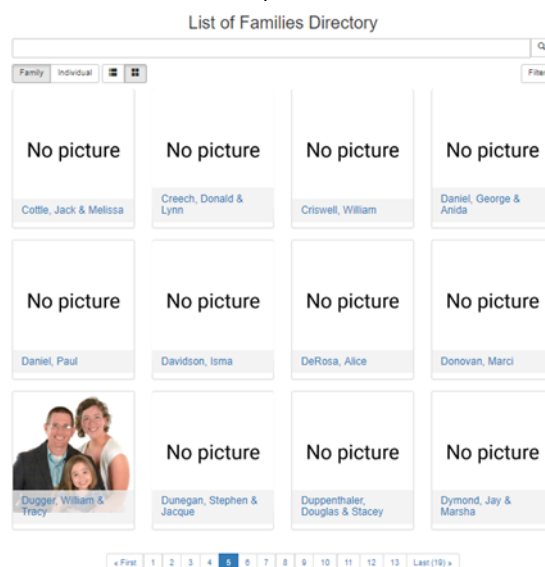

The information for a first-time visitor begins with listing the services times prominently and an "I'm new here" tab.

The completely different menu has a cleaner look and the content nests and drops down under broader labels to help people find what they're looking for quickly and with the fewest number of clicks.

The *Messenger* newsletter shows up as the first option in the drop-down menu under CONNECT. When you click on "Newsletter," you'll see an archive of the newsletters with the most recent one on top. Click "Download PDF" next to any issue you wish to view, and it will appear.

The most exciting new features for us IN the Messiah family, are the "Directory" and your "Giving History" through the Member Access button.

For Security Purposes only members whose email addresses are in our database can sign up to use this service. If you've given the Church Office your email, you can register by clicking "Member Access" on the top blue line of the home page and then clicking "Haven't registered yet" at the bottom of the "Login Member Portal" page.

It will ask for your email address, and when you enter it and click "Email," you'll get an email with a link that will walk you through the rest of the process of setting up your access.

From The Rector

Once you have access you'll be able to view your giving statement, view your member profile, and click on a link to open the mobile directory, which will give you names, addresses, phone numbers, and email addresses for your fellow Messians, and, if they've uploaded a picture, pictures of them as well. SEE THE SAMPLE with the smiling Dugger family!

The password to see the directory is MessiahFamily – just like the password for the Guest WiFi at Church.

Once you've logged in, YOU, that's right YOU completely control, edit, and update what information is visible in our directory by editing your profile in the Member Portal.

Please ensure your info is correct and hide any data you don't want people to see. Also feel free to upload a family photo so people can identify you by face as well as name.

If you DO NOT receive an email prompting you to register...It's because your email is not in our database. For the next several Sundays, there will be a form in the Bulletin asking for your email address. Please fill that out and put it in the offering plate, and we'll get you in the database the next week. Only one email per family group is needed.

If all of this was confusing, please don't worry. Web Team volunteers will be in the Narthex for several Sundays to help you log in and

start using this amazing new tool to help us get to know one another better.

We love you all!
Tom Rutherford & Tracy Dugger

Ready or Not?

Non-Floridians complain that we don't have seasons like "Up North."

I assure them we DO have seasons: "mowing" and "non-mowing!"

But even more dramatic are our other two seasons: "Hurricane" and "Non-Hurricane."

And Hurricane Season starts June 1.

Are you ready? Have you gathered what you need to get through several days without electricity, gas stations, and air-conditioning? If not, do you have an evacuation plan and a place to go?

God promises to get us through difficulties. But one way he does that is offering us wisdom and knowledge. The newspapers, local magazines, TV and radio, and government are full of advice of what to do and how to prepare. Many of their suggestions are God's Word for us.

But if you haven't paid attention to all those other sources, let me add my voice to theirs:

Get ready for Hurricane Season!
Because ready or not, here it is!

To help us prepare as individuals and families, parishioner and retired Navy Captain Murph Borno has assumed the helm of DART, our Disaster Action Response Team, composed of parishioners who volunteered through the Messiah's Way to help our parish family cope with a hurricane or other disaster.

Murph and DART have procured a stack of resources from the Federal Emergency Management Agency (FEMA) with helpful tips to help us

PAGE 5

get ourselves ready in our blood families. That literature is on the Welcome Table by the main double doors on the Tilden Street side of campus.

I urge you to read and heed them.

To help us as a parish family, the DART volunteers are ready with tools (chain saws, trucks, hammers, nails, tarps, etc.) and skills to help Messiah folks in need after a storm. In addition to helping our people in their own homes, a number of parish families have volunteered to take people into their homes and feed and house any whose homes are damaged.

If you'd like to volunteer to help in any of those ways, please contact Murph directly at fly-ingham@cfl.rr.com (Murph flew high in the sky as a Naval aviator; NOT that OTHER kind of "high!") or 407-413-4220.

I love you, and I'll see you on Sunday – no matter how hard the wind blows!

R. Borno

Murph and DART have also developed a Messiah Family Disaster Plan to help us help each other if the Day comes. It's on the next page and will be distributed in the bulletins on several Sundays this month. Please post it in your home as a reminder for when the wind picks up.

In the event of a hurricane, tornado, or other disaster:

1 PRAY! HARD!

WE WILL HAVE CHURCH ON SUNDAY at the regular

2 times, no matter what the weather or conditions are. Use your discretion whether to come or not, especially if there is a curfew.

3 BEFORE THE DISASTER: If a named storm or other disaster is upon us, please call and/or email the 2 families ahead of you in the parish directory and the 2 families after you to pray with them and see if they have any needs. If there are needs you cannot meet, please call the Church office at 407-656-3218 (Even if no one is in the office, someone will check the parish voicemail) and/or email Father Tom Rutherford at TomRutherford@earthlink.net

4 IF YOU EVACUATE, please call the Church at 407-656-3218 and/or email Father Tom Rutherford at TomRutherford@earthlink.net and let us know.

5 AFTER THE DISASTER, please call those same 4 families to pray with them and see if they're okay. Please call the Church at 407-656-3218 and/or email Father Tom Rutherford at TomRutherford@earthlink.net to share any needs you or they have, and the DART (Disaster Action Response Team) will match needs with resources in the parish and community.

6 KEEP PRAYING!

A Group Home for teenage foster girls in Winter Garden and the non-profit group Foster Friends of Central Florida

is asking for help letting these girls know the community cares about them. The girls are usually between 13-17 years old and they will "age out" of the foster system on their 18th birthday. The community is being asked to provide meals for these ladies (up to 6 teenage girls plus 1 staff member) every Friday and Sunday evening at 6 pm.

If our parish provides one or two dinners a month (either Friday or Sunday), it would go a long way towards changing the world with Jesus, one person and one small community at a time. A parishioner has offered to pay for the ingredients for the meals (if needed), as well as pick up the meals and deliver them to the group home. So what we REALLY need are cooks. If you are cooking your favorite dish for dinner anyway, would you consider cooking for 6-8 more people and sending this symbol of love to this Group Home?

If you are interested in helping with this very worthy cause, please contact Joyce Taylor at 407-222-1290. Tell her which evening you would like to provide the meal for, what you will be cooking (just so they don't end up with the same meal multiple times in a row) and Joyce will sign you up and make arrangements to get the food to the home.

Present: Rector Tom Rutherford, Senior Warden Doreen Stachowski, Junior Warden Frank Chase, Clerk Mary Kay Predmore, Marci Babione, Stacey Beck, Don Greer, Leo Henry, Paul Hickman, Patty Tate, and Dawn Wirbel, and Assistant Rector Tracy Dugger

Absent: Treasurer Rodger Watson, Steve Borst, and John Peacock

Because the air conditioning wasn't working in the Library (SEE III.B. BELOW), we moved the meeting to the Youth Hall.

FORMATION: Don Greer led Noonday Prayer.

Based on Chapter 5 of *Growing Young* ("Fuel a Warm Community: Warm Is the New Cool"), we talked about how we're doing with this and how we can improve in the Messiah family. We went on a field trip to look at our entrances through the eyes of a first-time visitor to see how we'd figure out where and what to do. Patty Tate took notes of the signage we need to add around our facility to help visitors find their way around.

PREPARATION FOR NEXT MONTH: PLEASE READ Chapter 6 of *Growing Young*: "Prioritize Young People (and Families) Everywhere: From Rhetoric to Reality"

INFORMATION:

Vestry Ministry Team Reports: Outside Signs are installed.

No others received.

Staff Reports:

Facility: Rental Report was emailed separately. Facility Minister Amy Paredes reports:

This past month has been busy with setting up appointments and discussing prices for prospective clients. I am meeting with *Shine in*

the Limelight, for a Gala to take place in August, and I'm negotiating with a research company interested in renting the facility for an entire week in January.

There have been a few phone calls asking to rent on Sundays, but there is no availability those days.

I called back *Radiant Services* to redo the Youth Hall floors. The polish appeared to have stripped away quickly and will need to be finished again. They will return next week to fix them. The PH floors, PH carpet, PH kitchen, narthex floors, nursery, sanctuary floors, and tiles are scheduled to be cleaned the week after the Rummage Sale. I am blocking off dates for general maintenance, and the church will be unavailable for those days.

We're getting wedding requests through the *Wedding Spot* online service and the church website. The new website should help us get more.

I visited downtown Winter Garden's venues, and their prices are still consistently higher than ours... however, they are improving their looks with new lighting and outdoor features.

Children of the Messiah Preschool: The financial report was emailed separately.

Messiah Academy: No report was given.

Children's Ministry: Children's Minister Angela Lopez reports: Vacation Bible School was great this year! We had slightly fewer kids than last year, but 74 is a great number! We had a great time, and even though the content was lighter than usual, the kids were exposed to God's Word in an exciting way. They experienced love and

Vestry Meeting Minutes continued

acceptance, they laughed and played and prayed together. Our VBS brought out very big smiles in all who participated! I want to thank several members of the vestry and clergy for being a huge part of the program this year:

Steve Borst: You made an awesome Daniel! Everyone loved Bible story time. Thank you for spending the week with us! Thank you also for being the clean-up ninja and taking care of the volunteer snack table at the end of the night!

Doreen Stachowski (and Tom): For helping with meal prep and for supervising the snack crew! Thank you more for loving and encouraging me all week!

Dawn Wirbel: Thank you for running the check in counter and keeping track of all the funds raised. (Over \$700) Also, thank you for bringing all the Wirblets, you have some exceptional grandchildren!

Marci Babione: Thank you for your prayers and the fantastic T-shirts that you donated!

Rodger Watson: Thank you for keeping track of my balance and responding to my emails so quickly!

Deacon Tim: You were a fantastic tribe leader and you really made the kids feel like they were a family! Thank you for spending your birthday leading your tribe to a deeper understanding of God!

Deacon Julie: You are the emcee extraordinaire! Thank you for working your teacher voice and high energy to make vbs opening and closing special! You are our princess of prayer and I am thankful for every time you stop in the middle of something and pray with and for me!!

Mother Tracy: Game Master T!! The games were cool and engaging, thank you for working above and beyond your usual priestly duties to make sure the kids had a great time!

Father Tom: Thank you for owning your role as Ashpenaz! It was amazing, the kids and tribe leaders were blown away. Thank you also for letting me take over the whole church to set up this great week for everyone! MANY more people were involved, I truly appreciate everyone's enthusiastic participation, it really is a whole church project!

As a thank you, I will be hosting a dinner for all volunteers where we will celebrate the successes and brainstorm ways to make it even better! This week I developed pictures and wrote each VBS visitor a note inviting them back to church, I also have pictures of our Messiah kids to hand out on Sunday. I have requested the dates and selected a theme for VBS 2019, so who's game to join me again???

In other news, I am narrowing down options for the Christmas play and will get a better plan in place for the Fall Fest this month. Plans are in place for back to school bash as well.

I have hired a new child care provider for Sundays. The previous one was not a great fit for us. Miss Trinity Shaw has been great so far, she volunteered at VBS all week and had a good first day on 7/1/2018. Trinity has been a friend of the church for 7 years and is very willing to serve. We have decided that she will read short Bible stories and do simple activities, that I select, at the 7 pm service. Some of those antsy kids cannot make it to early church so I will give her a Cliff Notes version of my lesson. Last week they built a Lego wall of Jericho, marched around it and sang the song "My God

is big, so strong and so mighty.." Trinity is the daughter of a Pastor and has grown up in church. I walked in on her singing praise songs to our babies during one service and all of the kids hugging and loving on her in another.

I am recovering from my busy month of June by taking a few extra days off in July to spend with my boys.

Youth Ministry: Youth Minister Janie Walton reports: I, along with most of our Activate teenagers, volunteered in some capacity at Vacation Bible School (VBS) from Monday, June 25 to Friday, June 29. It was a great week spending time with Daniel in Babylon!

Our week-long mission trip to Jamaica from Sunday, July 1 to Saturday, July 7 went well. We partnered with Mission Discovery and did various construction and painting projects at the Jamaica Christian School for the Deaf as well as visited the residents at West Haven Special Needs Home. This was Activate's first international mission trip. There was interest in continuing our work in Jamaica at home in Central Florida. Youth Minister, Janie Walton, will be finding various opportunities for our students to volunteer with deaf and other special needs children in the area.

I will be away from Tuesday, July 10 to Friday, July 13 on a spiritual retreat with Deacon Julie Altenbach and our Monday Night Women's Small Group.

There will be no Activate meeting on Sunday, July 22, due to Youth Minister, Janie Walton, taking her daughter, Kylie, to Camp Wingmann in the afternoon. However, we will be having a fun event later that evening or on Monday, July 23.

Vestry Meeting Minutes continued

Assistant Rector Tracy Dugger reports:

Website: Our new website is LIVE! Woohoo. Through the rest of July, we are orienting the staff on how update and edit it. Staff Training conducted by Worship Times will occur at Staff Meeting on July 18. The Lifetouch directory is not interfacing yet, so the online photo directory remains mostly photoless.

Social Media: I'm in recruitment mode amongst our teens for another support person on Instagram for the Church Insta account COTM_WG

Young Adults: Screwtape Letter Series continues. We'll have trivia night Tuesday the 24th. I'm looking at planning another Young Adult Gathering in September or October.

Pictorial Directory: Photos have been delivered.

Community Service: Our local man doing community service is almost finished with his hours and blessed us with LOTS of finished projects.

Father Soner Alexandre: We still haven't heard back from the United States Citizenship and Immigration Service whether or not they've accepted his application for an R-1 visa for processing. Until we hear from CIS, there's nothing more we can do, and Father Soner is unable to receive pay for any of his services.

DISCUSSION (to help make a decision next month):

The floor covering in the Parish Hall kitchen: Frank Chase has not been able to get numbers for what it will take to fix this. We'll try again next month.

Lightning stuck somewhere on our campus during the week of July 1-6 and fried the phone system, internet,

and the controls for the A/C in the narthex hallway, offices, restrooms, nursery, and library. Thank God, the A/C still works in the Parish Hall!
Parish Administrator LaVerne Woods got almost everything repaired – and kept an itemized list for the insurance claim – except the A/C in the narthex, that is currently working at 40% of its capacity.

Phone System: Though Ken Lyons (our computer and phone wizard) was able to patch together enough of the existing system to get us back in business temporarily, the line to the preschool needs to be replaced immediately, and the rest of the system (that we got used from a parishioner 8 years ago) is dying. We will consider our options next month when we have prices for replacement equipment and total numbers for comparison.

DECISIONS: The A/C Controls damaged by lightning:

MC² (the company whose controls we have now) will repair the damage for \$2,385.50. The controls, however, have been unsatisfactory for the 11 years we've had them. They're finicky, difficult to program, don't regulate the temperature according to the numbers we enter, are running on the original computer that came with the system, and have an internal clock that is completely independent of the computer or internet or real time, so it loses several minutes a month, and over time has the A/C going on and off hours behind when we want it to, and cannot be reset, except by a visit from a technician. On top of that, the whole system is 11 years old and obsolete: when the MC² tech came to reset the clock 3 months ago, he laughed at our current system and said, "We don't make those any more and won't support it for much longer. It's on its last legs, and you're going to need a new system soon." We got 2 bids to replace the controls:

Carrier, who manufactured the chiller plant and air handlers, will do the job for \$65,000 with a 1-year warranty.

Automated Logic will do it for \$60,000 and give a 2-year warranty. Lamar Powers attended the Vestry meeting to offer insight and answer questions, and **Vestry decided to fix what we have**, prioritize all repairs needed, and start saving for a new system. Thank you, Lamar!

MEETING MINUTES & FINANCIAL REPORT:

Minutes from the June meeting: Approved

May Financial Report from Treasurer Rodger Watson: Approved

Preschool News

By Barbara Ellerbe

July's summer camp ended on July 26 with a pizza party. The children loved our S.T.E.A.M. (Science, Technology, Engineering, Art and Math) theme. Yes, preschool children can learn all of that. We had a great time building, experimenting, measuring and learning early math skills too.

On August 6 the preschool staff returns to prepare for preschool to begin with Meet the Teacher on Friday August 10. The first day of school will be August 13th. We're looking forward to a very exciting year.

Our entire staff has spent a great deal of time training over the summer for the implementation of a new curriculum in the fall. We're also instituting a new check in system for the children to increase security. The safety of our children is a top priority.

I'm happy to report that all of our staff is returning this year.

- Stacey Duppenhalter and Terri Hausler will be teaching Pre-K.
- Jill Smicherko and Hannah Mohabir will be teaching 3 year olds.
- Marsha Dymond will teach the 2 year olds.
- Melody Wise will teach in the baby room.
- Missy Cottle will also return to teach our art classes.
- Our aides Candon Norton, Samantha Recchia, Noemi Gonzalez, Megan Chase and Anndrea Strickland will also return this year.

Most of our classes will be full when we open. We currently only have availability in our Tuesday/Thursday 3-year-old class and Pre-K.

GOT PAPER?

Messiah's recycling and
we'll earn money
when you recycle paper here!!

- PaperRetriever has put a recycling dumpster on the Woodland Street side of the playground behind the Sunday School/Preschool building.
- You can drop your paper for recycling here 7 days a week. It's an easy way for you to recycle paper every week and help us raise money for the building fund.
- They will accept:
Telephone Books, Newspapers, Magazines, Catalogues, Office & School Papers, Mail, and even your shredded paper (without plastic bags)
- They do NOT accept:
Plastic or plastic bags, metal, glass, trash, cardboard boxes

In 2010, PaperRetriever Recycling recycled 45 tons of paper through this program. Their efforts resulted in saving 135 cubic yards of landfill space, conserved enough electricity to power 92 homes for 1 month, prevented enough air pollution to equate to taking 100 cars off the road for 1 day and saved 315,000 gallons of water and 135 gallons of oil.

Please help us help the environment and RECYCLE!!!

I read two good books this month, neither one excessively long: *The World According to Narnia* by Jonathan Rogers and *The Pursuit of God* by A.W. Tozer.

Being the "big kid" that I am, I've been a major fan of C.S. Lewis's *Chronicles of Narnia* since I first saw a video of an animated version of "*The Lion, the Witch, and the Wardrobe*" at Holy Family during Lent in the '80's. It really puts the cookies on the lower shelves where the children (of all ages) can reach them. So I was delighted to find *The World According to Narnia*, which goes into detail about the meaning of all seven books.

Like the *Chronicles* themselves, the book is both entertaining and enlightening. I plan to purchase another set of the *Chronicles* and possibly DVD's as well to revisit and review for you each book in the series.

The Pursuit of God is also excellent, as all things A.W. Tozer are. It is designed to be read in small doses: one short chapter/day for 31 days, but I wanted to finish it so I could review it. The title seems odd, since we know that God pursues us; but his point is that once He pursues us, he expects us to pursue Him, to seek a closer personal

relationship with Him; and this book gives great advice for pursuing such a relationship. I plan to re-read it as it is intended to be read now: one chapter a day.

Vacation Bible School

Our Activate teenagers and youth minister, Janie Walton, volunteered at this year's Vacation Bible School. The theme this year was "*Babylon: Daniel's Courage in Captivity*".

Mission Trip 2018

This year Activate went on their first international mission trip to Jamaica. We partnered with missions organization, Mission Discovery.

We worked with the Jamaica Christian School for the Deaf, where we did various construction projects, as well as played with the children. We also spent time at Westhaven Children's Home for the Disabled, where we spent time loving on the individuals there.

On Sunday, July 8, we had members of our mission trip team give testimonies at all four services and showed a short video of our trip. If you missed seeing the video, it is up on Church of Messiah's Facebook page.

Youth minister and VBS Tribe of Joseph leader, Janie Walton, and Activate member and tribe assistant, Chelsea Wilkinson-Borno, pose with the members of the Tribe of Joseph.

Our mission team sans Father Tom (who arrived later that day).

Our adopted team member, Kayla Carr, along with Laura Cook and John Wilkinson-Borno help a student at craft time.
