Personal

The background of the slide is a dark, almost black, space filled with a dense field of small, glowing red particles. These particles are scattered throughout, with some appearing as bright, distinct dots and others as faint, blurry trails. The overall effect is a dynamic, particle-like texture that suggests movement and energy. The word 'Personal' is positioned in the upper left corner, rendered in a bold, bright yellow font that stands out sharply against the dark, red-hued background.
